

# Alex Lloyd, Same Day

In the news  
They sing the blues  
Winners win  
Losers lose  
Hold your head up  
Present your chin  
Prepare yourself  
To take it in  
It's the same day  
Happening again  
It's the same day  
Over again  
I was fooled by  
Make believe  
Looking for some  
Debts relief  
All my cares and all my woes  
Give 'em over let 'em go  
It's the same day  
Happening again  
It's the same day  
Over again  
With your slicked back hair  
You'll find it there  
You'll find it there
