

# Alex Lloyd, The Wonder

Falling on your broken bones  
Hitch a ride to get you home  
Stormy road and rocky path  
Every step we take a chance  
'Cause in your heart and in your mind  
Sometimes lost now sometimes blind  
Well, it's sometimes blind  
See the wonder of it all  
Take a breath before it falls  
The wonder, the wonder of it all  
The wonder of it all  
Innocence wasn't meant to fail  
Stretched it out on a bed of nails  
All your rights and all your wrongs  
What it meant now to belong  
'Cause in your heart and in your mind  
Sometimes lost now sometimes blind  
Well it's sometimes blind  
See the wonder of it all  
What we had and lost before  
The wonder, the wonder of it all  
The wonder of it all  
Did you see the wonder like a crash of thunder?  
It's the spell we're under now  
The wonder the wonder of it all  
See the wonder of it all  
What we had and lost before  
See the wonder of it all  
What we had and lost before  
The wonder, the wonder of it all
