

Alex Parks, Near Death Experience

Dreams drown my mind
For my moment in time
Experiment with all of my life
Co's the three white gods are coming to stamp my time
Don't let your faith go
Don't let your fear show

It's not my time to die
It's not the time to ask the constant question..

Why
When will the chart stop asking
Why
Innocence has no regrets
Why
The constant question of my life is
Why

I won't let my faith go
I won't let my fear show
It's not my time to die
It's not the time to ask the constant question
Why

Money or Poor
Peace or War
Joy or Pain
Memory or None
Smile or Cry
Death,Life,Love

Why
When will the chart stop asking
Why
Innocence has no regrets
Why
The constant question of my life is
Why...?
