

# Alex Rush, Runnin' Away

Nobody ever knows, what did you think about it  
and Nobody save your soul  
I Give you freedom back, do you really want it  
When you feelin' alone in a single room  
Have nobody who wants to hold you  
I get message from you with love  
but it's through, I don't want to think of You

I'm Runnin' away  
I'm Runnin' away  
I'm Runnin' away from all My troubles  
I'm Runnin' away  
I'm Runnin' away  
I'm Runnin' away for a new tomorrow  
I'm Runnin' away  
I'm Runnin' away  
I'm Runnin' away don't call me baby  
I'm Runnin' away  
I'm Runnin' away  
I'm Runnin' away

You chose a better world, have fun from the night till morning  
Now you are happy yet  
But already think you are go to nowhere  
I will never want meet any man like you  
Now I know it's no but self destruction  
Please don't send me your message with love  
but it's through, I don't want to think of You
