

# Alex Sparrow, Get you

I choose my words like wise men do  
And tonight I'll get you right  
I rule my world like great men do  
And I fight, I fight for mine  
And you look so good on the floor  
Pull my mind in that dirty zone  
If they watch, let them watch  
Not losing you tonight  
Oh oh... I'm coming to get you  
Oh oh... I'm running, I'm coming for you  
Oh oh... I'm gonna get you  
I know you, you want me too  
I lost my mind somewhere between  
Your face and your perfect shape  
I found a pleasure watching you having fun  
Fooling around  
And you look so good on the floor  
Pull my mind in that dirty zone  
If they talk, let them talk  
You know I'm getting you tonight  
Oh oh... I'm coming to get you  
Oh oh... I'm running, I'm coming for you  
Oh oh... I'm gonna get you  
I know you, you want me too  
Oh oh oh... oh oh yeah... oh oh oh...  
I know you want me too  
Girl, you blow me away, I want you here with me  
Girl, you blow me away, yeah yeah...  
Girl, you blow me away, I want you here with me  
Girl, you blow me away, I want you to stay  
If you really want to have fun tonight  
Just scream  
Oh oh oh... oh oh yeah... oh oh oh...  
I know you want me too  
Oh oh... I'm coming to get you  
Oh oh... I'm running, I'm coming for you  
Oh oh... I'm gonna get you  
I know you, you want me too  
Oh oh oh... oh oh yeah... oh oh oh...  
I know you want me too  
Oh oh oh... oh oh yeah... oh oh oh...  
I know you want me too, yeah
