What are you sayin?  
That we should move on,  
From where we are now?  
Do you think,  
That we should just,  
Throw in the towel well,

I'm here to say I'm sorry,  
I'm here to say I don't care.  
I'm here to say You love me.  
And i'm still here.

What do you think,  
Now that everyone has,  
Left you in the past?  
Then again,  
I'm still here and i'm  
Waiting for you to say,

When you say,  
'I don't care what they say about you,  
I don't know how you see,  
You see right through me,  
And for some reason you're still here.'

The rain starts to fall.  
The world it crumbles.  
But i'm still here i won't leave your side.

I'm here to say i'm sorry.  
I'm here to say i don't care.  
I'm here to say you love me.  
And i'm still here.
