

Alex Spore, Meghan's Song

Why do i get so shy,
When i wanna talk to you?
Call me insane call me what you will,
But i can't take my eyes off of you.

But i don't know what to say to you,
Except if you were mine...

Your smile is plastered in my mind,
You couldn't make me forget it if you tried.
My only wish is to be beside you,
Cause i can't take my eyes off of you.

And i don't know what to say to you,
Except if you were mine,
That would be cool.

I stay awake all night writing this love song to you.
I stay awake all night just thinkin of you.

Everything i do now reminds me,
Of how much i love you.
I know that this sounds strange,
But i, i, i love you

And i don't know what to say to you,
Except if you were mine...

I know what to say to you,
And that's if you were mine,
I'd love you.
