

# Alex To, Dance With Me

Alex To  
Miscellaneous  
Dance With Me  
Used to be on my own  
Used to cry all alone  
Used to sit by the phone  
Waiting for love

Dancing all by myself  
Wishing there's someone else  
I can share all my love  
Baby it's you

Dance with me  
Let's take it slow  
Wait and see  
Please don't go  
Dance with me  
Now we are alone  
Fantasy  
Let's follow

Every smile that you made  
Every look that you gave  
Girl I know that is you  
I've been dreaming of

Dance with me  
Let's take it slow  
Wait and see  
Please don't go  
Dance with me  
Now we are alone  
Fantasy  
Let's follow

I love you  
You know I do  
Faithfully I'll be yours

I need you  
You know it's true  
Loving you forever

Dance with me  
Let's take it slow  
Wait and see  
Please don't go  
Dance with me  
Now we are alone  
Fantasy  
Let's follow

Dance with me  
Let's take it slow  
Wait and see  
Please don't go

No more night on my own  
No more crying alone  
No more wait by the phone  
Baby it's you
