

# Alexander Rybak, Abandoned

Sleepless in the night  
I try to lose my faith in you  
Saying to myself  
You can't be the right one for me  
And now that you're gone  
I finally get a taste of freedom  
Only problem is I don't really want  
to be free  
I don't wanna be abandoned  
I don't want to curse your name  
I don't wanna feel the sadness  
Pretending that I'm still the same  
I don't want to burn your letters  
I don't want to face the truth  
I don't wanna be abandoned  
I don't wanna waste my youth  
You try to suffocate with your pretends  
And I believe in the shallow romance  
I ran for cover but I couldn't hide  
And still you try to get me to abide  
You scratched me like a perfume and  
Erasing all the feelings that I had  
And all the time you faked this loneliness  
Cause you wouldn't see my twisted mess  
I don't wanna be abandoned  
I don't want to curse your name  
I don't want to feel the sadness  
Pretending that I'm still the same  
I don't want to burn your letters  
I don't want to face the truth  
I don't wanna be abandoned  
I don't wanna waste my youth
