

# Alexander Rybak, Castle made of snow

Somewhere above the ocean  
Far from the place we know  
There is a tiny castle  
All made out of snow  
Nobody's ever been there  
No one who may know  
But there is a tiny castle  
All made out of snow  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra  
Once in a while of midnight  
Something strange begins  
Out is a little snowman  
Playing violin  
Playing for all who's crying  
Trying to heal they're hearts  
Once is time of leaving  
Violin music starts  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra  
Nobody cares about him  
Nobody ever will  
He is a little snowman  
Lonley one still  
He is playing for all the sad ones  
Trying to ease they're way  
Once in a while at midnight  
The snowman starts to play  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra  
Somewhere above the ocean  
Far from the place we know  
There is a tiny castle  
All made out of snow  
Nobody's ever been there  
Nobody else but me  
But I know a tiny castle  
For everyone to see  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra  
Da, da, ra, ra, ra, ra, ra
