## Alexander Rybak, First Kiss

Deep in your heart

There's á small hidden room

And you know that I hold the key

You're gonna travel all over the world

Places where I'll never be

Someday you'll marry the man of your dreams

And I will be crying all night

But there is a secret that both of us know

That's why I'm feeling alright

Yes, there is a secret that both of us know

And that's why I'm feeling alright

And there'll be

Small guys and tall guys - whose stronger than me

And ten times the charmer than I'll ever be

But one thing, Maria, I sure didn't miss

Your very first kiss

Need I say more?

The feeling is pure

And I felt the warmth of your lips

Though the time will go on

And the seasons will change

I'll allways think back on your kiss

Someday the runway will carry you home

And I will be smiling all night

Cause there is a secret that both of us know

And that's why I'm feeling alright

Yes, there is a secret that both of us know

But secrets belong in the night

There may be

Shy girls and small girls - whose richer than you

Ten times the lady and one of a few

But one thing, Maria, you sure didn't miss

My very first kiss

Deep in my mind there's confusion and hope

And I know that you stole my thoughts

I gonna travel all over the world

Searching for someone to hold

Those say it's over

When I'm underneath

Let's see if our feelings unite

Oh, there is a secret that both of us know

And that's why we're smiling tonight

Yes, there is a secret that both of us know

That's why we're smiling tonight

There may be

Someone who truly believes love is blind

But I beg to differ there's two of a kind

They will find each other

And that is real bliss

Our very first kiss
