

Alexander Rybak, Foolin

Nobody knows the way I'm feeling
I try to scream, instead I smile
The world is strange, I must be dreaming
How can I stop this just for a while?
The morning rain will soon be falling
But I don't care, cuz I've already cried
Can't see the meaning of this
But one thing is certain I'm afraid I'm loosing my mind
Somebody else will be her boyfriend
Somebody else will have her heart
But still I love her so
How could I let her go?
I was foolin' myself
The sky is blue and birds are singing
The sun is shining and kids are playing games
What have I done, what was I thinking?
The only thing to do, is hiding shame
Somebody else will be her boyfriend
Somebody else will have her heart
But still I love her so
How could I let her go?
I was foolin' myself
Somebody else will be her boyfriend
Somebody else will have her heart
But I still need her so
How could I let her go?
I was foolin' myself
I was foolin' myself
