

Alexander Rybak, Suomi

I used to be in search for beauty,
Used to be in search for grace
Now I see your lakes, your forest
You put a smile on my face
Once I thought I've seen it all
Now you shown that life is so much more!
Suomi, feeling in my heart forever (x2)
The souvenir of smiles and laughter
Takes me back to dreams I've had
Using you is life in silence
Diamonds are forever worldmad
The midnight sun than lies the scene
Now I know that beauty truly breaths
Suomi, feeling in my heart forever
