

Alexander Stewart, broken by you

I keep staring at the bedroom door
Knowing you don't wanna be here anymore
I don't want you to go
But it's time that I throw in the towel

You were mine but was I ever yours?
Got that look on your face that I can't ignore
So if your gonna go
Could you let me down slowly for hours?

Pull me close
Don't say your sorry
Leave your ghost
I'll let you haunt me
I know how this goes
Oh I know

If it's inevitable my heart breaks
And by the morning you say your mind's changed
If I can't find you a reason to stay
And my heart's gonna break
Then at least I can say
I was broken by you

Wait
Just one more minute I know it's too late
To put the pieces of us back in place
If my heart's gonna break
Then at least I can say
I was broken by you

Never been too good at goodbyes
But for you I would say it a thousand times
Even knowing how it ends
I would love you just to lose you again

You
Broken by you
