## Alexander Stewart, broken by you

I keep staring at the bedroom door Knowing you don't wanna be here anymore I don't want you to go But it's time that I throw in the towel

You were mine but was I ever yours? Got that look on your face that I can't ignore So if your gonna go Could you let me down slowly for hours?

Pull me close Don't say your sorry Leave your ghost I'll let you haunt me I know how this goes Oh I know

If it's inevitable my heart breaks
And by the morning you say your mind's changed
If I can't find you a reason to stay
And my heart's gonna break
Then at least I can say
I was broken by you

## Wait

Just one more minute I know it's too late To put the pieces of us back in place If my heart's gonna break Then at least I can say I was broken by you

Never been too good at goodbyes But for you I would say it a thousand times Even knowing how it ends I would love you just to lose you again

You Broken by you
