Alexandra

I don't want to start without you

Hey...

Eh, hey, I'm like a beast

Eh, hey, i'm like a beast

DJ drop the record, Imma start a stampede

He drop the record, I start a stampede

Eh, boy, I push it out

Eh, boy, I push it out

Fire, move my body like a merry-go-round

Front to the back, I'll make you go round

Get like me

Get on the dancefloor

Get like me

(Don't want to start without you)

Oh, here I go, drip droppin' way down low

You're 'bout to miss

Winding to this

Don't make me start without you

Oh, here I go, you're moving way too slow

I'm coming up

Put down your cup

Don't make me start without you

Eh, boy, way that I move

Eh, boy, way that I move

Body like a weapon that'll make you go boom

Get like a drum I'll make you go...boom

Eh, boy, oi where you at?

Eh, boy, oi where you at?

You're the only one and I'm all on my back

The only one I want on my back

Get like me

Get on the dancefloor

Get like me

(Don't want to start without you)

Oh, here I go, drip droppin' way down low

You're 'bout to miss

Winding to this

Don't make me start without you

Oh, here I go, you're moving way too slow

I'm coming up

Put down your cup

Don't make me start without you
