

# Alexandra Slate, Bad Girl

So I picked one up the other day  
does that mean I'm a bad girl?  
And if i take of all my clothes?  
Well that makes me a bad girl

What if life itself goes to s\*\*\*?  
now that i've been pushed around  
Well tell me something I don't know  
'cause I've held off way too long now

And its not the way you hold me,  
hold me responsible  
I'm not who you think I am  
Have I fooled the whole world?  
Nobody knows  
I'm a very, very bad girl  
(yeah i'm a bad girl)

So I wrote this song for sanity  
and it tells me I'm naive  
but if he heard this melody  
he'd see all over me

And it's not the way you hold me  
hold me responsible  
I'm not who you think I am  
Have I fooled the whole world?  
Nobody knows (no oh) nobody knows  
I'm a very, very bad girl  
(Oh I'm a bad girl)

And its not the way you hold me,  
hold me responsible  
I'm not who you think I am  
Have I fooled the whole world?  
Nobody knows, (no oh) nobody knows

Well theres no point in you believing,  
I'm a saint when I'm deceiving  
everybody thinks I'm someone else

I'm a very, very bad girl  
Oh I'm a bad girl  
I'm a bad girl  
I'm a very, very bad girl.....
