

Alexandra Slate, Guilty

So we try to feel at ease
With my hands tied down
And you won't release
And I'm feeling so guilty over this

Maybe we could find
Someone else to do this
Maybe we could force them all
To get us through this
If it's not you, it's me
And I don't want to be

Take the time, but make it fast
'Cause it feels like forever now
And a thousand years have passed
And I'm feeling so guilty over this

Maybe we could find
Someone else to do this
Maybe we could force them all
To get us through this
If it's not you, it's me
And I don't wanna be
Feeling guilty

Maybe we could find
Someone else to do this
Maybe we could force them all
To get us through this
If it's not you, it's me
And I don't want to be

Maybe we could find
Someone else to do this
Maybe we could force them all
To get us through this
If it's not you, it's me
And I don't want to be
Feeling guilty
