

Alexandra Stan, Boy Oh Boy

Boy, oh boy
Tell me that you love me
Why you never
Never ever show me
Why you're mean
You're always breaking my heart
Boy, oh boy
Tell me that you love me
Why you never
Never ever show me
Why you're mean
You're always breaking my heart

Why do you make me going low
Wine ma body moving slow
I wave ma hair
My ma hair /3x

Like the air that I breathe
You are the one I need
Like the air that I breath
You're the one thet I need
