

# Alexi Murdoch, Breathe

In the quiet of the shadow  
In the corner of a room  
Darkness moves upon you  
Like a cloud across the moon

You're a-wearing all the silence  
Of a constant that will turn  
Like the windmill left deserted  
Or the sun forever burn

So don't forget to breathe  
Don't forget to breathe  
Your whole life is here  
No eleventh hour reprieve  
So don't forget to breathe

Keep your head above water  
But don't forget to breathe

And all the suffering that you've witnessed  
And the hand prints on the wall  
They remind you how it's endless  
How endlessly you fall

And the answer that you're seeking  
For the question that you found  
Drives you further to confusion  
As you lose your sense of ground

So don't forget to breathe  
Don't forget to breathe  
Your whole life is here  
No eleventh hour reprieve  
So don't forget to breathe

Keep your head above water  
But don't forget to breathe

Breathe...

Don't forget to breathe  
Don't forget to breathe  
You know you are here  
But you find you want to leave  
So don't forget to... breathe

Just breathe...  
Just breathe...  
Just breathe...  
Just breathe...  
Just breathe...
