

Alexia, Happy

You know what I'm saying?

Happy
It's so nice to be happy
Everybody should be happy
It's so nice to be happy

Happy
It's so nice to be happy
It's so nice to be happy
It's so nice to be happy

I wanna take you to my world to be happy
'Cause i can't live without your love
Yes you know

I've never needed anyone to be happy
But that's the way that things go wrong
Yes you know

I was afraid to open my eyes
Don't even know how many tears that I've cried
Now that i've found the love of my life
I don't get down down down down down

Happy
It's so nice to be happy
Everybody should be happy
It's so nice to be happy

I've never been in love before and I'm happy
'Cause you're the one I'm looking for
Yes you know

You bring the sunshine into my life
Your lips are burning and the feeling is right
I can't believe it's true that you're mine
Don't let me down down down down down

Happy
It's so nice to be happy
Everybody should be happy
It's so nice to be happy

I just pray
You'll never run away
Can't wait another day
To hold you tight
To hold you tight

Happy
It's so nice to be happy
Everybody should be happy
It's so nice to be happy

Happy
It's so nice to be happy
It's so nice to be happy
It's so nice to be happy

Everybody should be happy
