

Alexis Jordan, Happines

I gotta turn this car around
I never should have left you there
Boy this traffic is making me sick
Boy I cant wait to have you near
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I dont wanna miss this
This opportunity will only come once in my life, my life
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I dont wanna miss this
See what you're bringing me boy is priceless
I gotta be out of my mind not to try this
Refren (x2)
Through strength I found love
In time I found myself
In happiness with you
Boy I need to say whats in my heart
I was scared but Ill do my part
I came back to tell you face to face
So what we have wont go to waste
I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas
Cause I dont wanna miss this
This opportunity will only come once in my life, my life Yeah
Sorry sorry sorry
Im coming down to fix this
You should know how I feel
I know I got you twisted
See what you're bringing me boy is priceless
I gotta be out of my mind not to try this
Refren(x2)
Through strength I found love
In time I found myself
In happiness with you
The things that you can give to me
I can feel it when your holding me close
You're like one of the world wonders
I know Im going under
Come see that Im ready for this
And you're so good for me
Youre my true joy
You make me wanna say
Refren(x2)
Through strength I found love
In time I found myself
In happiness with you
