

# Alexis Schuster, Stupid Like Me

When you met me  
I was young and pretty  
See how I've changed  
When you met me  
I was simple  
Now I'm not  
Isn't that a shame

CHORUS:  
when my world changed  
I tried to stay the same  
But it's hard when you're stupid like me  
I was young  
You were lying

When I met you  
You were tall and thin  
See how you're the same  
When I met you  
You were nice and brilliant  
See how I'm not  
Isn't that a shame

CHORUS

When I called you  
The other night  
You said you didn't know me  
When I called you  
You sounded happy  
See how I'm not  
Isn't that a shame

I thought maybe  
That you felt it too  
But you didn't  
Isn't that a shame

CHORUS
