

# Alexis Strum, Still Standing

I want you to remember  
First kiss you ever had  
When our lips met together  
I knew that was that

I'm still standing  
Keeping you dancing yeah  
You know you want it  
I'm still going  
Making the party blow  
The way you like it

(CHORUS)  
Do you wanna hear me sing (Pop!)  
'Cause I don't think I wanna (Stop!)  
And I love it when my beats (Drop!)  
Yeah it makes me feel hot  
Guess whose back on top?

I'll happily surrender  
To your desire  
A touch so warm and tender  
Is setting me on fire

I'm still standing  
Keeping you dancing yeah  
You know you want it  
I'm still going  
Making the party blow  
The way you like it

(CHORUS)

Funkin' to this sound  
We're gonna get down  
(Pop!)  
(Stop!)  
(Drop!)  
(Hot!)

(CHORUS)
