

Alexz Johnson, Another Thin Line

I'm getting up know
the sun is burning my eyes and I ache
I'm living on a, freeway, running low on heart and good mistakes
I'm taking it to..living,just living all the lives I have to live
I'm playing off this feeling knowing that it's time to be forgiven

If I could only come around (I'm looking in the back)
Just stop and turn around (I need to get this off my back)
Am I outta my mind, for faking what's inside of me?

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walkin on another thin line)

I'm wide awake now its getting dark and I can't see my way
I'm living through the game now, by watching every word that I might say

And now I've gotta come around (I'm falling through the cracks)
And stop and turn around (Can't get this off my back)
Am I outta my mind, for faking what's inside of me?

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walkin on another thin line)
No, no, no I'm in the middle of a crime
taking left whats mine...As I fade away...
with everything I am

With everything I am
With all I have to stand
I'm not gonna fade, oh no!
Dragon tears and cover songs
When I've done nothing wrong
I just don't belong
DA DA DA DA DA DA DA

It's like I'm walking on another thin line
where the fools keep on thinking I'm blind
I'm waiting for the day (walkin on another thin line)
I'm in the middle of a crime...
taking left what's mine
as I fade away
