

Alexz Johnson, Anyone But You

Sick of the line that's fading me
I never know what to believe
In a world that's crushing me
You're the only one I see

I don't change my mind for anybody.
I won't waste my time on just anybody.
I won't share my life...
With anyone but you
It's such a long way...
With anyone but you
I couldn't follow...
With anyone but you
Never anyone but you

They put my poster on the wall,
They watch and wait for me to fall,
They think they made me who I am.
Oh they don't know me at all.

I don't change my mind for anybody.
I won't waste my time on just anybody.
I won't share my life...
With anyone but you
It's such a long way...
With anyone but you
I couldn't follow...
With anyone but you
Never anyone but you

They build you up so high
So you can hardly see the stars beneath your feet
I'm falling through the cloud
Then it'll be the next to catch me

Ah, ah, ah
With anyone but you
It's such a long way..
With anyone but you
I couldn't follow...
With anyone but you
Never anyone but
Never anyone but
With anyone but you
It's such a long way..
With anyone but you
And I couldn't follow...
With anyone but you
Never anyone but you
