

# Alexz Johnson, Crawl

You begin to crawl,  
Before there was a before-  
There has to be now..(where'd you go?)  
oh- I'm slowly changing, and re-arranging  
(where'd you go, where'd you go?[x2])  
My life's just started, that's when we parted- yeah.  
(where'd you go, where'd you go?) where did you go? (where'd you go...)

Do you ever wonder why- you need someone to call, when you're lying on that cold floor- losing it a

Could you ever just agree- to how you treated me?!  
I'm worth more than that cold-throw you wanted me to be.

And with it all...  
You begin to crawl.
