

# Alexz Johnson, Don't pull of my wings

You know I'm fragile  
Yeah, you ought too  
You tried to hide it  
I see through you  
You want some insurance baby  
But I think you know  
That doesn't come with me  
Baby, let go  
Don't pull off my wings  
I wanna fly away to better things  
I want you there too  
So find where your heart sings  
And we'll be free together  
Feeling everything  
Don't pull off my wings  
I've always wondered  
If those who control  
Are really most frightened, oooh  
Deep down in their soul  
Lets bathe in each moment baby  
They're just passing by  
Everyone one of them different  
Like clouds in the sky  
Don't pull off my wings  
I wanna fly away to better things  
I want you there too  
So find where your heart sings  
And we'll be free together  
Feeling everything  
Don't pull off my wings  
Don't pull away  
Don't hold back  
Baby, pain is what happens when you resist love  
Trust that with grace, we'll embrace, all that's coming  
And let it keep lifting us up  
I wanna fly  
Fly away together  
Soaring through life  
So don't be afraid  
Cause I'll be with you baby  
All of the way  
Don't pull off my wings  
I wanna fly away to better things  
I want you there too  
So find where your heart sings  
And we'll be free together  
Feeling everything  
Na na na na, na na na na  
Don't pull off my wings  
Na na na na, na na na na  
Feeling everything  
Don't pull off my wings
