

Alexz Johnson, L.A Made me

L.A Made me

1. Baby, baby one without a name

Cant you see they're pouring you down the drain

I know, I know, I know, I know

Painted lady, crying their on the side

Poured her heart out, send her for a ride

I know, I know, I know, I know I know, I know

CHORUS: Tell me, tell me why are in it for the gold?

Tell me, tell me why are you selling out your soul?

Tell me, tell me why my baby?

Oh L.A, L.A why are you tearing her apart?

L.A, L.A why are you spitting on her heart?

L.A, L.A why so shady?

She said - L.A made me, L.A made me

2.Stranger, stranger told you what to say

Left and dangered, took all your money

I know, I know, I know, I know

Maybe, maybe leave without a sound

Watch yourself and you've been found

I know, I know , I know, I know I know, I know , I know

CHORUS:Tell me, tell me why are in it for the gold?

Tell me, tell me why are you selling out your soul?

Tell me, tell why my baby?

L.A, L.A why are you tearing her apart?

L.A, L.A why are you spitting on her heart?

L.A, L.A why so shady?

3.She said - L.A wont let me go,

L.A owns my soul L.A wont let me go,

L.A owns my soul

I know, I know , I know I know, I know , I know

She said - L.A made me,

L.A made me

L.A wont let me go,

L.A owns my soul

L.A wont let me go,

L.A owns my soul less
