

Alexz Johnson, Running Home

The phone is of the hook
and Jamie's got a gun.
And Sherry's in the river
and the river is gonna run again.
Ooo ooo ya
So you don't know where to go
you don't know where to hide.
Holding all your tears,
keeping all your pain inside.
With your back against the wall
heart falling from your hand.
You throw it in the river
and the river is gonna hide it again.
yeah yeah yeahyeah...

But you are not alone.
When your not safe at home

and your running back running back.
While your off track
looking for a hope,
and for house to call your own.
You need a phone you feel all alone.
You don't know where to stop while your falling apart.
You need someone to hold
your hands are cold
You feel a little older.
You need a shoulder.
Oooo noo
But you're not alone.

What they will believe,
and if you want to change how its meant to be.
Even if they think you're strange.
Ooo
You want to live a life,
you need to breakaway.
Counting on your hands the days you have left to pay
but you are not Alone.
