

Alexz Johnson, Swallowed

Oh my darlin can find a way out, Oh my darlin am I be followed
Oh my darlin can we all still stay out, Oh my darlin are we being swallowed
Oh my darlin can find a way out, Oh my darlin am I be followed
Oh my darlin can we all still stay out, Oh my darlin are we being swallowed
Hey now oh no, dont wanna let it go
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Hang on relax, dont wanna hold you back
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Oh my darlin have they all been lieing, Oh my baby whats the use of trying
Oh my darlin tell me am I movin, Oh my baby tell me Im improving
Oh my darlin can you all still see me, Oh my baby can you see theyre leaving
On a train hiding in the forest, leaving lonely, little messes for us
Hey now oh no, dont wanna let it go
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Hang on relapse, dont wanna hold you back
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
I am going on, finding a low land
I am going alone, in my head
I hold on, dont let it rest
Cant swallow me up again
I am going on, finding a low land
I am going alone, in my head
I hold on, dont let it rest
Cant swallow me up again
Hey now oh no, dont wanna let it go
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Hang on relapse, dont wanna hold you back
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
Tell me my baby, am I being swallowed? Tell me my baby, am I being swallowed?
