

Alexz Johnson, Without You

without you , my life is done
I need you, you are the one
All i need is to be loved by you
I'm hopelessly in love, what can i do?

The sparks are soaring,
My heart is pouring,
'cause you made me feel that nothing on earth could be more real

Though our relationship is far apart
i wish we're more than what we already are

without you, my life is done
i need you, you are the one
all i need is to be loved by you

i'm hopelessly in love, what can i do?

i need you to hold me, to look into my eyes
without you my darling, my spirit dies

You're my light when it gets dark
holding hands around the park
i feel like my heart was born anew
I don't know what i'd do,
without you.

Your are my leash, when my heart flies away
I need you, you are the one
all i need is to be loved by you
i'm hopelessly in love, what can i do? (x2)
