She's head of the world  
American Reigns over all

Freedom was chanced  
But we will live in it  
'Til the world comes to an end  
We all share her pain  
But we never took it lyin' down  
We all love her more!!!

America Reigns  
Over and under  
America Reigns  
Lightning and thunder  
America Reigns  
Since I was younger  
She's head of the world  
American Reigns over all

A moment of terror  
Then tombed in our hearts  
Come from the mind of a killer  
God save the world  
If you know what I mean  
We don't really need Iraq!

6000 soldiers  
Using our blood to  
Scrubbing their bodies off  
And all of their sins off  
As big as the U.S.  
Let's just nuke them right now!  
Right now!  
Oh boy! Oh boy!  
Right now!

America Reigns  
Over and under  
America Reigns  
Lightning and thunder  
America Reigns  
Since I was younger  
Long live the TWIN TOWERS!!!!  
American Reigns over all
