

Alfons, Alexie Divello, Fanny And The Wee

It's funny how we go to
Banging just for drinking tea
These days all you need
Is tinder, funny, and a wee

Fuck tchem sweets
And just give me the D
D, D, D, D, D, D

Give me the fucking D
Give me the fucking D
Give me the fucking D
D, D, D, D, D, D

Give me the fucking D
Give me the fucking D
Give me the fucking D
D, D, D, D, D, D

D, D, D, D, D, D
D, D, D, D, D, D*

It's funny how we go to
Banging just for drinking tea
These days all you need
Is tinder, funny, and a wee

Fuck tchem sweets
And just give me the D
D, D, D, D, D, D

Give me the fucking D
Give me the fucking D
Give me the fucking D
D, D, D, D, D, D

Give me the fucking D
Give me the fucking D
Give me the fucking D
D, D, D, D, D, D

D, D, D, D, D, D
D, D, D, D, D, D*
