Bourgeois cuz her shoes alone cost a grand
Ghetto cuz she cuss too much and talk with her hands
She say she don't fuck wit rap since Mase got saved
But baby got back like mace got spray
You know the bourgeois type, ass boombastic
Mabelline queen, titties all plastic
Niggaz front with they tank on empty
Pay cash for e'rythang cuz the top off her Bentley

Did alotta wrong with alotta good fellows
But I got my shit together (Hello!)
I took my hustlin ways from them scufflin days
To eight million copies on my resume
I moved right out the hood, cuz I don't like the hood
I tell all my people to think twice in the hood
The police; man they don't even like us
Cuz they got Spud in Booneville, 'Trelle up in Riker's
And I just like what the money can get
A little head e'ry now and then so honey can spit
Chrome tips, a hundred an forty four of them shits
And a big ass crib cuz...

Throwin trash out the Benz on the highway
But the old school still spillin all in the driveway
And if it stop, never a towtruck pull me home
Fuckin I keep the socks, had the jewelry on
I'm like a pimp in the 80's, a Reverend Run
Preachin it to em, gassin em up like Chev-e-ron
Got the D's the beeps and the televis-ion
And my Sprint (Brrrrr..) like a boughetto telethon
But I'm bourgeois forever cuz I got it to spend it
Ghett-o, put rims on the car that I rented
Trump money, but it's still the motel and Kyjuan
