

Ali, Boughetto F. Murphy Lee

Uh uh, Ali and Murphy
Uh uh, School Boy with the College Boy
And ah and ah
Ali and Murphy is bourgeois baby
If it ain't ghetto, it don't move me, baby
Got a lake, a pool and a jacuzzi, baby
But it's still McDonald's and a movie, baby
That's so crazy
Check, I'm at the bar, industry party, caviar
Denim suits, superstar, Cigarillo cigars
Spittin' bars to this footer in stilettos
She boughetto, that mean she bourgeois and ghetto
Bourgeois 'cuz her shoes alone cost a grand
Ghetto 'cuz she cuss too much and talk with her hands
She say she don't fuck wit rap since Mase got saved
But baby, got back like mace got spray
You know the bourgeois type, ass bombastic
Mabelline queen, titties all plastic
Niggaz front with they tank on empty
They ask for e'rythang 'cuz the top off her Bentley
I roll the truck slow, the gas, I ease on it
I got a trailer on the back, four-wheeler with D's on it
Got the leather with the G's on it, gangsta, gangsta
Gotta get it, get it good and
Ali and Murphy is bourgeois, baby
If it ain't ghetto, it don't move me, baby
Got a lake, a pool and a jacuzzi, baby
But it's still McDonald's and a movie, baby
That's so crazy
If you got an expensive weave, that's boughetto
Spend six hundred on weed, that's boughetto
Benz while ya sittin' on D's, that's boughetto
Tell 'em what's boughetto, bourgeois and ghetto
Yo Murph' is bourgeois, School Boy, ghetto
What more can I say? I'm boughetto
Ayo I'm beautif-hetto, that's beautiful and ghetto
I got plenty war stories, plenty hood medals
Did a lotta wrong with a lotta good fellas
But I got my shit together, hello
I took my hustlin' ways from them scufflin' days
To eight million copies on my resume
I moved right out the hood, 'cuz I don't like the hood
I tell all my people to think twice in the hood
The policeman they don't even lie
'Cuz they got Spud and Boone and 'Trelle up in Riker's
And I just like what they money can get
A little head e'ry now and then so honey can spit
Chrome tips, a hundred an forty four of them shits
And a big ass crib 'cuz
Ali and Murphy is bourgeois, baby
If it ain't ghetto, it don't move me, baby
Got a lake, a pool and a jacuzzi, baby
But it's still McDonald's and a movie, baby
That's so crazy
If you got an expensive weave, that's boughetto
Spend six hundred on weed, that's boughetto
Benz while ya sittin' on D's, that's boughetto
Tell 'em what's boughetto, bourgeois and ghetto
A boughetto pimp loose and I know it 'cuz I come to party late
Smellin' like weed, no matter who throw it
I'm in the curl cap, didn't get paid but done a rap
Dem ain't Rolex diamonds, what the fuck you done to that?
Throwin' thrash out the Benz on the highway
But the old school still spillin' all in the driveway

And if it stop, never a towtruck pull me home
Fuckin' I keep the socks, had the jewelry on
I'm like a pimp in the 80's, a Reverend Run
Preachin' it to 'em, gassin' 'em up like Chevron
Got the D's the beeps and the television
And my Sprint like a boughetto telethon
But I'm bourgeois forever 'cuz I got it to spend it
Ghetto, put rims on the car that I rented
Trump money but it's still the motel and Kyjuan
And Slo and Nelly and
Ali and Murphy is bourgeois, baby
If it ain't ghetto, it don't move me, baby
Got a lake, a pool and a jacuzzi, baby
But it's still McDonald's and a movie, baby
That's so crazy
If you got an expensive weave, that's boughetto
Spend six hundred on weed, that's boughetto
Benz while ya sittin' on D's, that's boughetto
Tell 'em what's boughetto
Ali and Murphy is bourgeois, baby
If it ain't ghetto, it don't move me, baby
Got a lake, a pool and a jacuzzi, baby
But it's still McDonald's and a movie, baby
That's so crazy
If you got an expensive weave, that's boughetto
Spend six hundred on weed, that's boughetto
Benz while ya sittin' on D's, that's boughetto
Tell 'em what's boughetto
Ali and Murphy is
Bourgeois, baby, bourgeois, baby
Bourgeois, baby, bourgeois, baby
Ali and Murphy is, bourgeois baby
That's boughetto, bourgeois baby
That's boughetto, bourgeois baby
That's boughetto, bourgeois and ghetto
