[Ali]

Denim suits, superstar, Cigarette cigars

Spittin bars to this footer in stilettos

She boughetto, that mean she bourgeois and ghetto

Bourgeois cuz her shoes alone cost a grand

Ghetto cuz she cuss too much and talk with her hands

She say she don't fuck wit rap since Mase got saved

But baby got back like mace got spray

You know the bourgeois type, ass boombastic

Mabelline queen, titties all plastic

Niggaz front with they tank on empty

They ask for e'rythang cuz the top off her Bentley

I roll the truck slow, the gas; I ease on it

I got a trailer on the back, four-wheeler with D's on it

Got the leather with the G's on it, gangsta gangsta

Aiyyo I'm beautif-hetto, that's beautiful and ghetto

I got plenty war stories, plenty hood medals

Did alotta wrong with alotta good fellows

But I got my shit together (Hello!)

I took my hustlin ways from them scufflin days

To eight million copies on my resume

I moved right out the hood, cuz I don't like the hood

I tell all my people to think twice in the hood

The police; man they don't even lie

Cuz they got Spud and Boone and 'Trelle up in Riker's

And I just like what the money can get

A little head e'ry now and then so honey can spit

Chrome tips, a hundred an forty four of them shits

And a big ass crib cuz...

[Both Hooks]

[Ali]

A boughetto pimp loose and I know it cuz I come to party

late, smellin like weed, no matter who throw it
I'm in the curl cap, didn't get paid but done a rap
Dem ain't Rolex diamonds - what the fuck you done to that?!
Throwin trash out the Benz on the highway
But the old school still spillin all in the driveway
And if it stop, never a towtruck pull me home
Fuckin I keep the socks, had the jewelry on
I'm like a pimp in the 80's, a Reverend Run
Preachin it to em, gassin em up like Chev-e-ron
Got the D's the beeps and the televis-ion
And my Sprint (Brrrrr..) like a boughetto telethon
But I'm bourgeois forever cuz I got it to spend it
Ghett-o, put rims on the car that I rented
Trump money, but it's still the motel and Kyjuan
And Slo and Nelly and...
