

Ali Gatie, Used to You

how am i supposed to be alright
ever since we split apart
no I am not doing fine

and I can't lie
my life's been really hard
it's difficult to see the light
when life is feeling dark

I got Used to You
yeah I got Used to You
yeah I got Used to You
you and I
I got Used to You
yeah I got Used to You
yeah I got Used to You
so losing you
it hurts inside
