==Translation==  
&lt;/lyrics&gt;  
beneath the twilight sky  
i have fallen asleep accidently in front of the ruins  
of the hidden iron gates  
but like a memory, they are opening  
the unexplored region of the flower garden  
has a mysterious aroma  
that is overflowing

that is cloudy nostalgia  
and now this little bit of sadness  
because i am at a loss of words  
i am walking through the middle of the illusions  
but these horns that the best possesses  
is facing these gentle eyes  
i am standing still

in the twilight,  
the gold light is falling  
the flame is burning  
this garden is lovely  
to the extent of seeing a dream of  
thousands of roses  
while i am counting them  
one by one  
the days have passed  
but the distant days

have a hunch
