&lt;/lyrics&gt;  
When it comes to dolls  
You were such an extravagant one,  
Adorned with a single ribbon,  
I chose you

As if differentiating between the beats  
Embraced in sleep,  
I distinguished the secrets of your dreams  
As we looked at the sky together

The years engulfed  
In invisible wings

Bianca Bianca  
You and I are twins connected at the heart  
Parole Parole  
I want to forget it all  
In small talk

In the strenuous journey of love  
The colour of my clothes were exchanged  
Eventually for that of the white chiffon  
Of a wedding dress

That time  
I opened my heart to that person

Bianca Bianca  
Someday I'll be a mama with a little girl sleeping in my lap  
Bianca Bianca  
I call out your name  
Connected by feelings, forever

Bianca Bianca  
In the dim glow of time, I am the only one growing older  
Bianca Bianca  
Your eyes are becoming deep again

Bianca Bianca  
You and I are twins connected at the heart  
Parole Parole  
I want to forget it all  
In small talk
