

# Ali Tatyana, Daydreamin'

Ali Tatyana  
Kiss The Sky  
Daydreamin'

All day long I think of you  
I can't even think of things to do  
Wishin' all of my daydreams come true  
Now, baby, what am I to do?

I think about yesterday  
Somebody was talkin' to me  
But I couldn't understand a word they said  
Not that I was tryin' to be rude  
But conversation couldn't make it through  
The thoughts of love I had for you...

Baby your face takes up my time  
Because I can jus' see your face with mine  
I try to change my thoughts; it's a waste of time  
You keep my mind occupied

Refrain.

Tell me what am I to do?  
When I can only think of you  
Even when I have simple things to do  
Like talkin' on the telephone  
or watchin' TV when somethin's on  
If it ain't about you then what's the use?

Refrain.

What's up girl? You all grown up now....

Doin' ya singin' thing the charts sewed up now  
Well you know I do my rap thing, I'm holdin' it down  
And I knew that me and you was gon' connect some how  
Your people called for this track, it ain't no trouble to me  
I dreamt that you and me got married on the WB  
You on channel 11; I carry the M-11  
RJ the reverened; it's a match made in heaven  
Whatever have you I let you know  
I'm from soundview  
Down til I found you  
I'm tryin' to be around you  
I'm still comin' up  
Chasin' the fame and wealth  
I could spoil you with time; you got everything else

I'm still New York to the heart  
But got love for all  
When I first saw this girl  
Thought I wanted to fall  
Mean the hummer so stunnin'  
That my bod was tense  
And I wishin everyday that I was fresh like Prince  
Then I came across my man RJ parlayin' in a 6  
With Tatyana Ali playin'  
I heard Steely Dan &quot;Black Cow&quot; and went wild  
You tell me how can I get down  
That's when they threw me on the redeye to LA  
I dirtied my cash and peeps back  
And hit Shaq on the cellay  
Courtside seats so close that we could touch  
Tatyana and Lord and Peter Gunz

Refrain...
