

Alice Cooper, Alma Mater

Rain is falling
Down my cheek
Searching for the sea
Tomorrow, like the rain
Ill be back home again
I watch
The bus
As it pulls out of view
Someday like that bus
I will be leavin too
But you know
It breaks my heart
To leave you
Camelback
My high school
And now
Alone
Cryin in my beer
Cause old friends said
Goodbye, I guess Ill be leavin too
But you know
It breaks my heart
To leave you
Cortez
Ill miss you
Yes I will
Yes I will
You know I will
Yes I will
Yes I will
You know I will
Well so long
Everybody
I hope that I would see you again
Goodbye
Everybody
I finally grew up
They finally let me out of school
Hey, remember the time - member the time
We took that snake
And put down little Betsys dresss?
Now I dont think Miss Axelrod
Was much impressed
No I dont think Miss Axelrod
Was much impressed
Well I dont think Miss Axelrod
Was much impressed
Oh, goodbye
Everybody
I hope that I would see you again
So long
Everybody
How do you like that
They finally let me out of school
Goodbye
Ah, I wanna get out of here
They let me out of school
How bout that, uh?
Goodbye
Hey, goodbye, guys
Maybe Ill see -
Maybe Ill see you around some time, uh?
Ey, dont make a stranger of yourself, uh?
Remember the Coop, uh?

May -
I ho -
I hope - you dont forget me or nothin
Goodbye
