

# Alice Cooper, Alma Mater

Rain is falling  
Down my cheek  
Searching for the sea  
Tomorrow, like the rain  
I'll be back home again  
I watch  
The bus  
As it pulls out of view  
Someday like that bus  
I will be leavin too  
But you know  
It breaks my heart  
To leave you  
Camelback  
My high school  
And now  
Alone  
Cryin in my beer  
'Cause old friends said  
Goodbye, I guess I'll be leavin too  
But you know  
It breaks my heart  
To leave you  
Cortez  
I'll miss you  
Yes I will  
Yes I will  
You know I will  
Yes I will  
Yes I will  
You know I will  
Well so long  
Everybody  
I hope that I would see you again  
Goodbye  
Everybody  
I finally grew up  
They finally let me out of school  
Hey, remember the time - 'member the time  
We took that snake  
And put down little Betsy's dress?  
Now I don't think Miss Axelrod  
Was much impressed  
No I don't think Miss Axelrod  
Was much impressed  
Well I don't think Miss Axelrod  
Was much impressed  
Oh, goodbye  
Everybody  
I hope that I would see you again  
So long  
Everybody  
How do you like that  
They finally let me out of school  
Goodbye  
Ah, I wanna get out of here  
They let me out of school  
How 'bout that, uh?  
Goodbye  
Hey, goodbye, guys  
Maybe I'll see -  
Maybe I'll see you around some time, uh?  
'Ey, don't make a stranger of yourself, uh?  
Remember the Coop, uh?

May -  
I ho -  
I hope - you don't forget me or nothin  
Goodbye
