□da da da d-da
□Later I think I'll disappear into another room
□And take a look inside the till
□Lovely days, human ways, journeys that take us to the end
□Aah...

Haven't we always been here
Sharing one love and one fear
Some day you'll know that life is really, really all about you
So come and look inside
You'll be surprised to find
Later I think I'll disappear into another womb
And take a look inside the mens' room
Haven't I given you everything that I could give
Where do you live
Aah...

Well I've written home to mother
The ink ran from my tear
said "Momma, momma please
Tell me why you bore me"
