

Alice Cooper, Blow Me A Kiss

Take one in the leg (Think about your baby)
Take one in the side (Think about your girl)
Take one in the head (Think about your mother)
Take one in the heart (It's the end of the world)

So blow me a kiss cuz I'm black
Blow me a kiss cuz I'm gay
Blow me a kiss cuz I'm shakin'
Say goodnight then blow me away
Blow me away
Blow me away
Tell me what you're thinkin' tell me why
Blow me a kiss then blow me away

Take one in the face (Think about your life)
Take one in the eye (Think about your soul)
Take one in the mouth (Think about your savior)
Take one in the thigh (Are you ready to go)

So blow me a kiss cuz I'm lonely
Blow me a kiss cuz I'm afraid
Blow me a kiss cuz you don't know me
Say goodnight then blow me away
Blow me away
Blow me away
Tell me what you're thinkin' tell me why

I'm in my room I'm Dr. Doom
Cuz I'm not me I'm someone else
Why should you die don't ask me why
You know it you know it you know it
Blow me away

I turn the page I am the rage
I'm coming from a darker place
A much darker place
So blow me away
Blow me away

Yeah blow me away
Tell me what you're thinkin' tell me why
Blow me a kiss then blow me away
Yeah blow me away
C'mon and blow me away
Tell me what you're thinkin' tell me why
Blow me a kiss then blow me away
