Alice Cooper, Blow Me A Kiss

Take one in the leg (Think about your baby)
Take one in the side (Think about your girl)
Take one in the head (Think about your mother)
Take one in the heart (It's the end of the world)

So blow me a kiss cuz I'm black Blow me a kiss cuz I'm gay Blow me a kiss cuz I'm shakin' Say goodnight then blow me away Blow me away Blow me away Tell me what you're thinkin' tell me why Blow me a kiss then blow me away

Take one in the face (Think about your life)
Take one in the eye (Think about your soul)
Take one in the mouth (Think about your savior)
Take one in the thigh (Are you ready to go)

So blow me a kiss cuz I'm lonely Blow me a kiss cuz I'm afraid Blow me a kiss cuz you don't know me Say goodnight then blow me away Blow me away Blow me away Tell me what you're thinkin' tell me why

I'm in my room I'm Dr. Doom Cuz I'm not me I'm someone else Why should you die don't ask me why You know it you know it Blow me away

I turn the page I am the rage I'm coming from a darker place A much darker place So blow me away Blow me away

Yeah blow me away
Tell me what you're thinkin' tell me why
Blow me a kiss then blow me away
Yeah blow me away
C'mon and blow me away
Tell me what you're thinkin' tell me why
Blow me a kiss then blow me away
