

Alice Cooper, Cold Ethyl

One thing I miss
Is cold Ethyl and her skeleton kiss.
We met last night
Making love by the refrigerator light.

[Chorus:]
Ethyl, Ethyl,
Let me squeeze you in my arms.
Ethyl, Ethyl,
Come and freeze me with your charms.

One thing, no lie -
Ethyl's frigid as an Eskimo pie.
She's cool in bed,
She's gotta be 'cuz Ethyl's dead.

[Chorus]
Come on, cold Ethyl, freeze me baby.
One thing - it's true,
Cold Ethyl I am stuck on you,
And everything is my way,
Ethyl don't have much to say.

[Chorus]
Come here, cold Ethyl
What makes you so cold?...OO..So cold
Cold Ethyl, cold, cold Ethyl
If I live 'til 97,
You'll still be waiting
In refrigerator heaven,
Cuz you're cool, you're ice.
Cold Ethyl - you're my paradise.
