

# Alice Cooper, Earwigs To Eternity

Oh, four years long  
And oh, what a sigh to hear, my dear  
Four long years  
Now we stop to hear a whisper  
Alice Cooper  
All of the time we have  
All of the time we have you  
All of the time we have  
All of the time we have  
We are throwing all of our hands so high  
You out there  
Singing lovely dittie beautiful song for you to be aware  
All of the time we have  
All of the time we have you  
All of the time we have  
All of the time we have  
All of the time we have you  
You're the one your looking for  
Let me in, let me in  
Who's there, who's there, who's there
