Alice Cooper, Go To Hell

For criminal acts and violence on the stage

For being a brat

Refusing to act your age

For all of the decent citizens you've enraged

You can go to Hell

For gambling and drinking alcohol constantly

For making us doubt our parents authority

For choosing to be a living obscenity

You can go to Hell

You're something that never should have happened

You even make your Grandma sick

You'd poison a blind man's dog and steal his cane

You'd gift wrap a leper

And mail him to your Aunt Jane

You'd even force-feed a diabetic a candy cane

You can go to Hell

You're something that never should have happened

You even make your Grandma sick

For criminal acts and violence on the stage

For being a brat

Refusing to act your age

For all of the decent citizens you've enraged

You can go to Hell
