Hands Of Death (Spookshow 2000 Mix)

□ Creep and crawl inside, to the heart of cold
□ So dead and paralyzed, perversion of the soul
□ Seduce the wicked ones, disturb the mortal sting
□ I am the only one, a dark and dreary thing
□ I am the blood washing, across the crucified
□ Yeah so few are chosen, I do not die
□ I am the whore of fire, I see through sulfur eyes
□ Your guardian in denial, a genius of the night
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ Creep and crawl inside, into the heart of cold
□ So dead and paralyzed, perversion of the soul
□ I'm the blood washing, across the crucified
□ Yeah so few are chosen, I do not die
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ In the hands of death, burn baby burn
□ Burn baby burn
□ Burn baby burn
□ Burn baby burn
